Clayton uses squeegee to clean soap off glass.

Clayton: Working for FISH is the best decision I've ever made.

Haley: It's definitely a nice financially stable job that doesn't require much experience.

Clayton, Haley, and Nate walk out of office and to respective branded vehicles.

Branded van pulls out of parking lot.

Clayton: Nobody needs experience. The training that they provide us is awesome. There's tons of opportunities to make more money.

Nate and Haley adjust apparel and equipment followed by a shot of Clayton outside storefront holding a squeegee on a pole. Clayton cleans windows of commercial storefront.

Nate: It's very flexible I mean most FISH franchises out there, you have options you can go get more work once you're done or you just go home and enjoy the rest of your day.

Nate cleaning 2nd story windows while on a ladder.

Haley cleaning window with a squeegee.

Clayton cleaning commercial storefront windows.
